Defendants.

Case 1:14-cv-01966

**DECLARATION OF SHERIFF JOE ARPAIO,
IN SUPPORT OF PLAINTIFF'S MOTION FOR INJUNCTION**

Pursuant to 28 U.S.C. §1746, I, Joe Arpaio, hereby declare under penalty of perjury that the following is true and correct:

- 1) I am over the age of 18 years old and mentally and legally competent to make this affidavit sworn under oath.
- 2) By this lawsuit, I am seeking to have the President and the other defendants obey the U.S. Constitution, which prevents the Obama Administration's executive order from having been issued in the first place.
- 3) The unconstitutional act of the President's amnesty by executive order must be enjoined by a court of law on behalf of not just myself, but all of the American

people.

- 4) If President Obama's amnesty created by the President's executive order, which was announced on November 20, 2014, is allowed to go into effect, my Sheriff's office responsible for Maricopa County, Arizona, and the people of Maricopa County will suffer significant harm.
- 5) This unconstitutional act by the president will have a serious detrimental impact on my carrying out the duties and responsibilities for which I am charged as sheriff.
- 6) Specifically, Obama's amnesty program will severely strain our resources, both in manpower and financially, necessary to protect the citizens I was elected to serve.
- 7) For instance, among the many negative effects of this executive order, will be the increased release of criminal aliens back onto streets of Maricopa County, Arizona, and the rest of the nation.
- 8) In addition, the flood of illegal aliens into Arizona will cost my Sheriff's office money and resources to handle.
- 9) Attached to the Complaint in this case are several news releases from my office giving details of the impacts in my jurisdiction. I attach these news releases again as exhibits to this Declaration, and incorporate herein the statements from my office in the attached news releases. I affirm the accuracy of the news releases attached.
- 10) President Obama's June 15, 2012, amnesty for adults who arrived illegally as children, which Obama has called Deferred Action for Childhood Arrivals (DACA), has already caused an increased flood of illegal aliens into Arizona in 2014.
- 11) The increased flow of illegal aliens into U.S. border states has been stimulated by the hope of obtaining U.S. citizenship because of President Obama's six (6) years of

- promising amnesty to those who make it to the United States.
- 12) The increased flow of illegal aliens has caused a significant increase in property damage, crime, and burdened resources in Maricopa County, throughout Arizona, and across the border region.
 - 13) Landowners report large-scale trespassing on their land by illegal aliens transiting from the border into the interior of the country, associated with destruction of property, theft, crimes of intimidation, trespassing, and disruption of using their land.
 - 14) The Sheriff's office witnesses and experiences a noticeable increase in crime within my jurisdiction in Maricopa County, Arizona, resulting from illegal aliens crossing our Nation's border and entering and crossing through border States.
 - 15) Within my jurisdiction, my office must respond to all such reports and investigate.
 - 16) My deputies must be out on the streets, risking their lives, to police the County.
 - 17) I performed a survey of those booked into my jails in Arizona.
 - 18) I found out that over 4,000 illegal aliens were in our jails over the last 8 months, arrested for committing crimes in Maricopa County under Arizona law, such as child molestation, burglary, shoplifting, theft, etc.
 - 19) I found that one third of the 4,000 illegal aliens arrested in Maricopa County had already been arrested previously for having committed different crimes earlier within Maricopa County under Arizona law.
 - 20) These are criminals whom I turned over to ICE for deportation, yet they were obviously not deported or were deported and kept returning to the United States.
 - 21) Some had been in Maricopa County 6, 7, 8 times, and sometimes as many as 25 times.

- 22) Yet they keep coming back. I want to know why they are not being deported?
- 23) I am aware that the President claims that he must grant amnesty to illegal aliens because of a lack of resources for enforcing the immigration laws.
- 24) However, from my perspective and experience, the Federal government is simply shifting the burden and the expense to the States and the Counties and County offices such as mine.
- 25) I am also aware that the President claims he must grant amnesty to some illegal aliens in order to focus deportation efforts on those illegal aliens who have criminal records or are dangerous.
- 26) However, I know from my experience in law enforcement in Arizona that that argument is disingenuous.
- 27) The Obama Administration is evidently not deporting dangerous criminals even when I hand them over to Immigration and Customs Enforcement (ICE) within the U.S. Department of Homeland Security.
- 28) Even when illegal aliens are booked into my jail for committing crimes in Maricopa County under Arizona State law, and my office hands those criminal over to ICE to be deported, the Obama Administration still does not deport those criminals.
- 29) In many cases, my Sheriff's office has undertaken the work and expended the resources to apprehend these persons for violating Arizona law.
- 30) Therefore, the problem is not a lack of resources by the Department of Homeland Security, but a lack of desire by the Obama Administration to enforce the law.
- 31) When you look at the interior of the United States, where ICE is responsible for enforcement, and take the 11 million illegal aliens estimated to be in the country, ICE

has locked up only about 1% of that total.

I hereby swear under oath and penalty of perjury that the foregoing facts are true and correct to the best of my knowledge and belief:

**SHERIFF ARPAIO MEETS WITH U.S. REPRESENTATIVE
SALMON ON POSSIBLE CONGRESSIONAL HEARING ON
FEDERAL GOVERNMENT RELEASE OF CRIMINAL ALIENS
ONTO AMERICAN STREETS**

*SHERIFF COMPILES FIGURES TENTH MONTH IN A ROW
DOCUMENTING RELEASE OF CRIMINAL ALIENS BACK INTO
MARICOPA COUNTY BY IMMIGRATION AND CUSTOMS
ENFORCEMENT (ICE)*

(Maricopa County, AZ, November 4, 2014): Sheriff Joe Arpaio of Maricopa County, AZ met with Congressman Matt Salmon (AZ-05) on Monday, November 3, to discuss the possibility of launching a congressional hearing into why Immigration and Customs Enforcement (ICE) keeps releasing illegal aliens charged of crimes back onto the streets of our communities. The Sheriff had previously called for a congressional hearing into this matter.

For the tenth month in a row, Maricopa County Sheriff Joe Arpaio has compiled the disturbing figures that reveal the number of criminal aliens taken by ICE who are arrested again and return to the Maricopa County jail system.

In October 2014, 307 illegal immigrants were arrested by Sheriff's deputies and police officers in Maricopa County and given detainers, or holds by ICE. Of that number, 96 are repeat offenders, having had prior bookings with detainers placed on them, or 31.2% of the total. Among those are two illegal aliens who have been booked into the Sheriff's jails 19 times each, one of which had 11 prior detainers, and, extraordinarily, 4 within the last year. These statistics mirror with rather remarkable consistency what has happened every month of 2014.

During that same month, two California deputy sheriffs were shot and killed by an illegal alien who had previously been incarcerated in Maricopa County jails four times, going back a number of years, and had been deported by ICE twice.

“An individual with this history,” Arpaio says, “convicted and deported more than once, should not have been able to get back into this country to commit these murders.”

Adding the figures from October onto the numbers already accumulated means that of the 4,172 ICE detainers placed on incoming criminal offenders, 1478, or 35.4%, are repeat offenders.

“We have been compiling and presenting these figures over and over, month after month,” says Sheriff Arpaio, “and it seems that no one is paying attention, because of the underlying issues. These policies are contentious and difficult, and it’s easier to bury your head in the sand and ignore them. But that’s not good enough, not good enough for the public and the public safety, not good enough for national policy.

“Politicians and other officials have to stand up,” states Arpaio, “and do their duty, popular or not. The situation is untenable and unacceptable, and that’s why, after trying to get a real response from Homeland Security and ICE for months, I contacted Representative Salmon to see what he can do. We met and I will say, without going into specifics at this time, that his response was most encouraging, and I am confident we will be working together to resolve this serious problem before long.”

ARPAIO CONCERNED WITH FEDS AFTER TWICE DEPORTED ILLEGAL ALIEN KILLS TWO CALIFORNIA SHERIFF'S DEPUTIES

Suspect Arrested in Maricopa County Four Times

(Maricopa County, AZ) The controversy surrounding an illegal alien who has been charged with killing two California sheriff's deputies and wounding another has taken on fresh urgency as Sheriff Joe Arpaio reveals the details of his prior four arrests by Maricopa County local law enforcement.

Moreover, says the Sheriff, the history surrounding this one illegal alien exposes the inherent dishonesty and ineptitude surrounding the federal government approach to illegal immigration.

For the past 9 months, Sheriff Arpaio, whose jails constitute the third largest system in the country, has been demanding that Immigration and Customs Enforcement (ICE) explain why the agency keeps releasing illegal aliens convicted of crimes back onto the streets of Maricopa County, located just 30 miles from the border. In pursuit of answers, the Sheriff has written to DHS Secretary Jeh Johnson, the head of ICE, and the DHS Inspector General, never receiving an adequate response.

"I am calling for a congressional hearing," states Arpaio, "to find out why illegal aliens arrested by my deputies and other police officers for often serious crimes are handed over to ICE, only to end up back in my jail, arrested again on more charges. Either ICE is letting these individuals go out the back door, free to commit more crimes, or is the border so open that even though they're being deported they turn around and immediately return?"

The statistics are daunting: For the past 9 months, back to the beginning of 2014, of the approximately 4,000 ICE detainees placing on incoming criminal offenders arrested by local police and Sheriff's deputies in Maricopa County, a stunning 1,382, translating to 38% of the total, were repeat offenders. Nor were these necessarily minor crimes, but encompass the full range of criminal offenses, including kidnapping, aggravated assault with a deadly weapon, armed robbery, child molestation, sexual abuse, conspiracy, dangerous drugs, and more.

Now we have the case Marcelo Marquez, known by his alias Luis Bracamonte to the Maricopa County Sheriff's Office (MCSO), which has had him in custody 4 times. Incarcerated for the first time in the county in 1996 for the sale of narcotic drugs and other felonies, he spent 4 months in Arpaio's Tent-City Jail before being released to ICE in 1997. His fate from that point on, whether he was deported or released, is unknown.

In the very next year, 1998, Marquez/Bracamonte was arrested for possession of narcotic drugs and misconduct involving weapons and possession of marijuana. For reasons unknown, he was not held by ICE but instead released from jail to the streets.

Marquez/Bracamonte was arrested yet again on May 4, 2001 for the sale of narcotic drugs and possession of marijuana for sale. He was released to ICE 3 days later.

What ICE did with him is unknown, but what is certain is that not even 3 months later, on July 26, 2001, he was arrested for failure to appear on drug charges. Marquez/Bracamonte posted bond and was released.

At that point, it appears that Marquez/Bracamonte left Arizona for California or another state, for that is where his history with MCSO ends.

“Now this situation,” Arpaio states, “which has always been intolerable, has resulted in tragedy, with 2 sheriff’s deputies dead and a third wounded. Now, maybe, I will get the answers I have been calling for month after month. Now, maybe, ICE and the federal government will be called to account for their actions.”

SHERIFF JOE ARPAIO DEMANDS FEDERAL GOVERNMENT STOP RELEASING CRIMINAL ALIENS IN MARICOPA COUNTY

*THE SHERIFF STATES THIS IS A FORM OF "BACKDOOR
AMNESTY" BY THE ADMINISTRATION, TO BE FOLLOWED BY
OBAMA'S ISSUING BROADER AMNESTY AFTER ELECTION*

*ARPAIO STANCE IN STARK CONTRAST TO HUNDREDS OF JAILS
NATIONWIDE REFUSING TO HOLD ILLEGAL ALIENS FOR ICE*

(Maricopa County, AZ) For the ninth month in a row, Maricopa County Sheriff Joe Arpaio is demanding that Immigration and Customs Enforcement (ICE) explain why the agency keeps releasing illegal aliens convicted of crimes back onto the streets of Maricopa County, located just thirty miles from the border.

The Sheriff's call comes in the face of a growing national refusal by local law enforcement agencies to hold illegal aliens in jail after disposition of their crimes for 48 hours on behalf of ICE. According to published reports, two hundred twenty-five jails from coast to coast have so far adopted this posture.

Sheriff Arpaio could not help but note the irony that as increasing numbers of local law enforcement agencies refuse to work with the federal government, his attempts to do exactly that, including his offer to assist ICE in halting the release of criminal aliens and, beyond that, construct a workable, smart policy to deal with this issue, are ignored. Having served in the Drug Enforcement Administration for over twenty-five years, including stints as the regional director and diplomatic attaché in Mexico, Central and South America, and then as the director in Texas and then Arizona, Arpaio contends he is uniquely qualified to help in this effort.

"The law is being flouted by both the federal government and local law enforcement," states the Sheriff, "for different reasons, to suit their own purposes. That is simply not right. The law needs to be enforced because it is the law and because it is the right thing to do. Deport illegal aliens, and especially criminal aliens, and secure the border so we make sure they don't come

back. Until this is accomplished, I repeat my demand, as I have repeatedly done in letters to the Secretary of Homeland Security Johnson, the DHS Inspector General, and the head of Immigration Control and Enforcement, for an investigation as to how and why these criminal aliens are neither kept in jail nor deported.

Meanwhile, criminal aliens continue to plague the streets of Maricopa County, as demonstrated by the Maricopa County Sheriff's Office, which has compiled figures that show that of the 318 illegal immigrants arrested by local law enforcement in Maricopa County in September 2014, 105, or 33% of the total group, are repeat offenders. This mirrors what has happened every month of this year, when at least one-third of all illegal immigrants arrested by Sheriff's deputies and police officers are repeat offenders. In fact, adding the totals for 2014 together, of the 3,865 ICE detainees placed on incoming criminal offenders, a stunning 1,382, translating to 36% of the whole, were repeat offenders.

The release of criminal aliens back in the community is a form of "backdoor amnesty," says the Sheriff, "to be followed after the November elections by President Obama issuing an executive order granting widespread amnesty to millions of illegal aliens."

Nor are the crimes committed by criminal aliens insignificant. One such individual arrested in September, a verified Mexican Mafia prison gang member with seven prior arrests including aggravated assault with a weapon, arson, riot, and five INS detainees, had also been charged with six counts of murder in 2004. He received a seventeen-year sentence. Now somehow out of prison, he has been arrested again.

That individual is hardly alone in his multiple arrests. This month alone, two different criminal aliens have each had fifteen prior arrests, while two others account for eleven each. Another has fifteen and one more has sixteen, a total topped last month by one individual who had been arrested twenty-five times. Furthermore, as has been noted month after month, the offenses committed by criminal aliens have run the gamut of serious crimes, including kidnapping, aggravated assault with a deadly weapon, armed robbery, child molestation, sexual abuse, conspiracy, dangerous drugs, and more.

"The situation is not only intolerable," says Sheriff Arpaio, "but it is also getting worse. The growing conflict between the federal government and local law enforcement over what to do about illegal aliens and criminal aliens is endangering the citizens of the United States. Combine that with the ongoing threat of an open border, through which not only criminals but also terrorists can enter this country, and we have a major problem that demands immediate attention. My office and I stand ready, as always, to help in any way possible to protect the American people and the integrity of our nation."

The Honorable Jeh Johnson
Secretary of Homeland Security
Washington, DC 20258

Dear Secretary Johnson:

Thank you for your response dated September 3, 2014.

I appreciate your offer to meet in Washington, DC. Prior to that meeting I would like to stress, once again, that what I primarily seek is not a procedural review by DHS, but a thorough investigation into a very serious and pressing problem. The situation to which I have referred several times in my letters, to not only you, but also to ICE Principal Deputy Assistant Secretary Winkowski and DHS Inspector General John Roth, in which Immigration and Customs Enforcement keeps releasing illegal aliens who have already been convicted of crimes and then arrested, yet again, by local law enforcement back on the streets of Maricopa County. This policy endangers both law enforcement officers and the public by not keeping such criminal offenders in jail or deporting them and making sure they cannot so readily cross the border again.

As I have previously written, I am ready to deploy the considerable resources of my agency to help in this investigation. I have ICE officers in my jails and ICE agents are cross-certified by me to function as deputy sheriffs in order to enforce the laws of Maricopa County. It should be noted that, in the past, your organization trained and certified 150 of my deputies, giving them the authority to enforce our illegal immigration laws; a partnership that highlighted my commitment to assist the federal government in taking on this most serious issue.

As for me, after serving as the regional director for the U.S. Drug Enforcement Administration (DEA) in Mexico, Central and South America, as well as, in Texas and Arizona, and 22 years as the elected sheriff of the third largest Sheriff's Office in the country - located only thirty miles from the border, I understand the difficulties in securing that border, as well as, dealing with the complex issue of illegal immigration. I agree to assist in any way possible in order to resolve these problems.

Sincerely,

SHERIFF ARPAIO PETITIONS THE FEDERAL GOVERNMENT TO STOP RELEASING ILLEGAL ALIENS CHARGED WITH CRIMINAL OFFENSES

(Phoenix, AZ,) For the eighth time in as many months, Maricopa County Sheriff Joe Arpaio is pressing his demand in a letter expedited to the Inspector General of Homeland Security that Immigration and Customs Enforcement (ICE) explain why the agency continually releases illegal aliens convicted of crimes back onto the streets of Maricopa County, the most populated Arizona county located just thirty miles from the border. In addition, Arpaio's letter reiterates his intention to renew his call for a congressional investigation if answers and action are not forthcoming.

The Maricopa County Sheriff's Office, headed by Arpaio, has compiled figures showing that of the 379 illegal immigrants arrested by local law enforcement in Maricopa County in August 2014, 128, or 33.7% of the total group, are repeat offenders. This mirrors what has happened every month of this year, when at least one-third of all illegal immigrants arrested by Sheriff's deputies and police officers are repeat offenders. In fact, adding the totals for 2014 together, of the 3,547 ICE detainees placed on incoming criminal offenders, a stunning 1,277, translating to 36% of the whole, were repeat offenders.

These crimes are not insignificant.

In August alone, one illegal alien with 12 prior arrests, including four ICE detainees, was arrested yet again, and this time on attempted murder charges. That crime was hardly unique in its violence or seriousness, for many illegal aliens have been charged with committing every variety of crime including kidnapping, aggravated assault with a deadly weapon, armed robbery, child molestation, sexual abuse, conspiracy, dangerous drugs, and more.

And it is not just the severity of the offense but also the number of times many offenders have been arrested.

Again this August, one illegal alien had 25 prior arrests, with nine prior ICE detainers, before being arrested this time. He is hardly alone: Some illegal immigrants have been arrested, not once, not twice, but multiple times, some more than a dozen. In point of fact, the 128 repeat offenders in July account for 214 separate charges.

Arpaio notes that he has no doubt the Department of Homeland Security Secretary Johnson, the head of ICE and the DHS Inspector General, are tired to receiving his letters. Nevertheless, the Sheriff has pledged to not give up and to make certain that appropriate action is taken.

Arpaio, who has worked in Mexico and on the US border for twelve years as the top US Drug Enforcement Administration official, and for the past twenty-two years as the Sheriff of Maricopa County, vows to continue fighting international crime – and that includes keeping the people of Maricopa County safe from the serious criminals that ICE keeps releasing on our streets.

The answer is not complicated, says Arpaio: “Do what the law says by deporting these criminals, and then make sure they don’t come back.”

Now, notes Arpaio, we face another issue on our border - the potential that terrorists will enter America to attack us.

“Everyone in the world knows the border is open,” says Arpaio. “Don’t you think the terrorists know it, too?”

In his letter to the Inspector General, the Sheriff offered to help the federal government in any way possible to get these criminals put away or deported, and beyond that, to construct a workable, smart policy to deal with these issues. The Sheriff’s Office already has ICE officers working in his jail system, and other ICE agents cross-certified by the Sheriff to act as deputy sheriffs in order to enforce the laws of Maricopa County.

Dear Sheriff Arpaio:

Thank you for your June 30 and August 4, 2014 letters.

You are correct that on June 25 I visited the U.S. Customs and Border Protection's Processing Center in Nogales, Arizona. While there I met with Governor Jan Brewer and Nogales Mayor Arturo Garino.

Since taking office, I have been reviewing our existing immigration and border enforcement practices and procedures in order to assess how the Department of Homeland Security can conduct its important enforcement mission more humanely within the confines of the law. As part of that effort, we have been meeting with a range of external stakeholders including Members of Congress, law enforcement, and non-governmental organizations. If you visit Washington, I would be pleased to meet with you to discuss the issues you raise.

Office of Inspector General/Mail Stop 0305
Department of Homeland Security
245 Murray Lane SW
Washington, DC 20528-0305

Dear Inspector General Roth:

I am writing to you once again in the matter of illegal aliens being summarily released back by Immigration Control and Enforcement (ICE) into my jurisdiction of Maricopa County, Arizona, without undergoing the due process of law, despite so many having had prior criminal records, despite being in this country illegally.

For the eighth month in a row, the facts reveal that of the 379 illegal immigrants arrested by local law enforcement in Maricopa County in August 2014 and given detainers by ICE, no fewer than 128, or 33.7% of the total, are repeat offenders. Furthermore, those 128 repeat offenders account for a total of 214 prior bookings. Over the months their crimes span the range of serious offenses, including aggravated assault with a deadly weapon, armed robbery, kidnapping, molestation of a child, sexual abuse, dangerous drugs, conspiracy and even attempted murder.

In fact, August saw one illegal alien with 12 prior arrests, including 4 ICE detainers, arrested once more on a charge of attempted murder. Another illegal alien, also arrested in August, had already totaled 25 prior arrests, including 9 detainers.

After eight months of looking into this issue and adding up the numbers, the Maricopa County Sheriff's Office has found 2014 that of 3,547 ICE detainers placed on individuals arrested by local law enforcement in Maricopa County and booked into my jails on criminal charges, a stunning 1,277, or 36%, more than one-third, were repeat offenders.

These statistics point to only two contingencies: First, ICE is quietly releasing them rather than detain and either charge them and try them here or deport them to their own countries, and second, that the border is so porous that even for those deported, they quickly return to this country to break more laws. The truth is that both of these situations are happening: ICE is releasing illegal aliens back onto the streets, and the border is open for easy passage.

Putting aside the outrageous flaunting of both the law and ICE's own protocols, I am personally concerned because ICE's actions endanger both my deputy sheriffs and the county's other law enforcement officers who are keeping our streets safe and the public they protect. This situation is hardly a new development, extending far beyond the 8 months covered in this study. My office's investigation shows that

many of these individuals were released, sometimes many times, some more than a dozen, some more than twenty times, going back years. Thus, the problem and the awareness of the problem is not a recent matter, but a long-term issue.

In the course of 2014, I have written to you, to ICE Principal Deputy Assistant Secretary Winkowski and to Homeland Security Secretary Jeh Johnson. Replies, on the rare occasions when they have been forthcoming, are limited to benign, bureaucratic statements, designed to lead nowhere. I want real responses to a very serious problem, and I once more ask that your office conduct an investigation.

As I written over and over, I am ready to deploy the considerable resources of my organization to help in this investigation. I will state once again that I have ICE officers in my jails, and ICE agents are cross-certified by me to function as deputy sheriffs in order to enforce the laws of Maricopa County. As for me, after serving as the regional director for the US Drug Enforcement Administration (DEA) in Mexico, Central and South America, as well as in Texas and Arizona, I understand very well both the difficulties in securing the border as well as dealing with the complex issue of illegal immigration, and am always ready to work to resolve these problems.

I look forward to hearing from you.

SHERIFF JOE ARPAIO DEMANDS DHS INSPECTOR GENERAL INVESTIGATE FEDERAL GOVERNMENT'S ONGOING RELEASE OF ALIEN CRIMINALS IN MARICOPA COUNTY

(Phoenix, AZ) After monthly studies going back seven months, and sending the statistics showing how Immigration and Customs Enforcement (ICE) is releasing illegal aliens convicted of crimes back onto the streets of Maricopa County to DHS Secretary Jeh Johnson in an attempt to get answers, Sheriff Joe Arpaio is now demanding an investigation by the DHS Inspector General.

The seven-month total compiled by the Maricopa County Sheriff's Office reveals that for 2014 thus far, of the 3,168 ICE detainees placed on incoming criminal offenders arrested by local law enforcement, incarcerated in the county jail, and passed to ICE, a stunning 1,149, or 36.3%, were repeat offenders. The crimes committed by these individuals included the range of serious and dangerous crimes, including though not limited to kidnapping, aggravated assault with a deadly weapon, armed robbery, child molestation, sexual abuse, conspiracy, various drug felonies, and more. Some of the immigrants have been arrested multiple times, some more than a dozen.

As Sheriff Arpaio has pointed out to Secretary Johnson in his four letters accompanying the figures, this dismal situation can only exist if ICE is not deporting criminals, as required by law, or if the borders are so open that the deported criminals easily return to the U.S.

Of course, the answer is some combination of the two factors.

"I've been writing to Secretary Johnson, offering my help and asking for answers and receiving nothing but bureaucratic form letters in return," says the Sheriff. "This is more than a serious situation, this is dangerous and intolerable, and I have no choice but to request that the Inspector General for Homeland Security look into the matter. And if I receive the same sort of useless response from the Inspector General as I have received the past seven months," states the Sheriff, "then I will no option but to call for a congressional investigation."

The Department of Homeland Security just admitted that it did wrongly release hundreds of criminal aliens in 2013, blaming congressional budgetary constraints for the reason. In the wake of that admission, politicians have called for changes to ICE's actions.

Regardless, as the Sheriff points out, DHS's explanation does not account as to why the releases persist, what criteria is used to determine which criminals are released, how far back these practices can be traced, and more – and the Sheriff is not satisfied.

The Sheriff's letter sent today to DHS Inspector General John Roth is attached.

Inspector General John Roth
Office of Inspector General/Mail Stop 0305
Department of Homeland Security
245 Murray Lane SW
Washington, DC 20528-0305

Dear Inspector General Roth:

Despite the report released today by your office – or, more accurately because of it – I am writing you to insist that your office conduct a more thorough and broad-reaching investigation.

Your report covers the actions of Immigration Customs and Enforcement (ICE) for one year, 2013, and the agency's release of thousands of illegal aliens, including hundreds with criminal records, instead of pursuing prosecution or deportation. The reason given for these transgressions, to cut to the chase, is budgetary.

The Maricopa County Sheriff's Office has conducted our own investigation into the matter for the past seven months, from the beginning of 2014, and has recorded that of 3,168 ICE detainees placed on individuals arrested by local law enforcement in Maricopa County and booked into my jails on criminal charges, a stunning 1,149, or 36.3%, more than one-third, were repeat offenders.

The significance of this cannot be overstated, as ICE has released these people who end up back on the streets of my county, endangering both my deputy sheriffs and police officers who keep those streets safe and the public they protect. And we are not talking about 2013 and those budget constraints, for our seven-month investigation covers 2014. Furthermore, our study shows that these individuals were released, sometimes many times, some more than a dozen, some more than twenty times, going back years. Thus, the problem and the awareness of the problem is not a recent matter, but a long-term issue.

This is far from my first attempt to ask the Department of Homeland Security to take notice. As you will see by the accompanying letters, I have written to Secretary Jeh Johnson four times, (the most recent having been dispatched August 4) each letter accompanied by a new set of statistics that bolster our case. Though ICE Principal Deputy Assistant Secretary Winkowski has sent replies, they have been general, bureaucratic statements and thus nonresponsive in any meaningful way. I want real answers to a very serious issue, and so I request that your office conduct an investigation, in the hope that answers will be forthcoming and I will not have to demand a congressional inquiry.

As I wrote Secretary Johnson, I am prepared to deploy the considerable resources of my organization to help in this investigation. As you might know, I have ICE officers in my jails, and ICE agents are cross-certified by me to function as deputy sheriffs in order to enforce the laws of Maricopa County. As for me, after serving as the regional director for the US Drug Enforcement Administration (DEA) in Mexico, Central and South America, as well as in Texas and Arizona, I understand very well both the difficulties in securing the border as well as dealing with the complex issue of illegal immigration, and am always ready to work to resolve these problems.

I look forward to hearing from you.

Sincerely,

FOR 7TH MONTH IN ROW, SHERIFF JOE ARPAIO DEMANDS FEDS EXPLAIN WHY THEY CONTINUE TO RELEASE ALIEN CRIMINALS IN MARICOPA COUNTY

**SHERIFF MAY CALL FOR CONGRESSIONAL INVESTIGATION
IF DHS KEEPS STALLING**

(Phoenix, AZ, August 5, 2014): For the seventh time in seven months, Maricopa County Sheriff Joe Arpaio is pressing his demand in letters sent to Secretary of Homeland Security Jeh Johnson that Immigration and Customs Enforcement (ICE) explain why the federal government keeps releasing illegal aliens convicted of crimes back onto the streets of Maricopa County. This time, however, the Sheriff may insist on a congressional investigation if answers and action are not forthcoming.

Figures compiled by the Maricopa County Sheriff's Office show that in July 2014 of the 393 illegal immigrants arrested by local law enforcement in Maricopa County, 139, or 35.3% of the total group, are repeat offenders. This continues the unbroken pattern recorded by the Sheriff's Office since the start of the year. In fact, adding the totals for 2014 together, of the 3,168 ICE detainees placed on incoming criminal offenders, a stunning 1,149, translating to 36.3% of the whole, were repeat offenders.

Furthermore, the crimes committed by these individuals spanned the range of serious and dangerous offenses, including though not limited to kidnapping, aggravated assault with a deadly weapon, armed robbery, child molestation, sexual abuse, conspiracy, various drug felonies, and more. Some illegal immigrants have been arrested multiple times, some more than a dozen. In point of fact, the 139 repeat offenders in July account for an astonishing 500 separate charges.

As the Sheriff has written to Secretary Johnson month after month, the only way this situation can exist is if ICE is not deporting criminals, as the law requires, or if the borders are so porous that the deported criminals virtually immediately return to the U.S. Of course, the answer is some combination of those two factors.

“I have said it before and I will say it again,” states Sheriff Arpaio, “this situation is intolerable. It violates federal policy. It knowingly, needlessly places the citizens of Maricopa County in danger. I have written Secretary of Homeland Security Jeh Johnson several times always sending him the facts and figures that we have assembled, asking for an explanation. While I have received perfunctory responses from a deputy official, we have not received anything resembling a satisfactory answer.

“The Obama Administration is going to great lengths to ensure the well-being of the young illegal immigrants crossing our borders, and a reasonable case can be made for that on humanitarian grounds. The people of Maricopa County should be worthy of the same concern. Don’t we deserve real answers? Don’t we deserve real action?”

In addition to asking for a meeting with Secretary Johnson, Sheriff Arpaio has also offered to assist ICE, which has officers working in his jail system and whose agents are cross-certified by the Sheriff to act as deputy sheriffs in order to enforce the laws of Maricopa County, in investigating and resolving these issues.

“I previously served as the regional director for the US Drug Enforcement Administration (DEA), which was part of the U.S. Department of Justice. I served in Mexico, Central and South America, as well as in Texas and Arizona,” says the Sheriff. “I know the border, I know the issues, I know the people on both sides of the border. I am ready to help solve the problems this country faces.”

In his letter to the Secretary, Arpaio relates the story of one illegal immigrant to personify the horrific reality behind these statistics. Armando Rodriguez was arrested on February 13, 2014 and charged with theft and giving false information to a law enforcement officer. This was not Mr. Rodriguez’s first arrest; indeed, he had been previously arrested on two separate occasions, beginning some thirteen years ago – a long time, not incidentally, to be living illegally in this country. In those instances, the charges included a variety of drug and burglary offenses. Thus, by the time of his February 13, 2014 arrest, Mr. Rodriguez, in addition to his

current charges, had already compiled a record worthy of deportation under ICE guidelines. Nonetheless, he was released, for whatever reason, despite being given an ICE detainer. The result was that just five months later, on July 29, 2014, Mr. Rodriguez was arrested yet again and this time his charges were two counts of sexual conduct with a minor, three counts of attempted sexual conduct with a minor, kidnapping, aggravated assault, sexual abuse, molestation of a child, and furnishing obscene material to a child. It is hard to think of more terrible crimes, crimes that in this instance, assuming the charges are proved true, could not have been committed if the federal government had done what it should have done - deported Armando Rodriguez.

Once again, Sheriff Arpaio vows to maintain the pressure on the federal government to not only get answers but also force changes in policy and procedure to protect the people of Maricopa County and the entire United States.

“We’re done just sending letters and waiting for a satisfactory response,” Arpaio says. “If we don’t get real action, not just the usual Washington bureaucratic refrain, may insist that Congress step up and look into the matter. We must solve this problem.” (see attached for previous letters sent to Homeland Security Secretary Johnson) ###

The Honorable Jeh Johnson
Secretary of Homeland Security
Washington, D.C. 20258

Dear Secretary Johnson:

Thank you for your organization's recent response, received July 10, 2014, to my letter. While I appreciate the detailing of ICE's enforcement priorities, it would seem that the issues I have raised, and continue to raise, directly impact, to quote your letter "the promotion of national security, border security, public safety, and the integrity of the immigration system." Yet Homeland Security and ICE have consistently pursued policies that contravene those goals. I am speaking in particular of the fact that some one-third of the illegal immigrants arrested by law enforcement in Maricopa County and booked into my jails have already been arrested on a wide range of serious criminal charges – and many of them multiple times.

For the seventh month in a row, the facts show that of the 393 illegal immigrants arrested by local law enforcement in Maricopa County in July 2014, no fewer than 139, or 35.3% of the total, are repeat offenders. Their crimes include a full range of serious offenses – aggravated assault with a deadly weapon, armed robbery, kidnapping, molestation of a child, sexual abuse, dangerous drugs, conspiracy, and more – just as we have seen every month we have looked at the statistics.

Finally, adding the numbers from the past seven months together, 3,168 ICE detainees were placed in incoming criminal offenders, and of those, a stunning 1,149, or 36.3%, more than one-third, were repeat offenders.

Let us use one example alone to exemplify the horrific reality behind these statistics. Armando Rodriguez was arrested on February 13, 2014, and charged with theft and giving false information to a law enforcement officer. This was not Mr. Rodriguez's first arrest; indeed, he had been previously arrested on two separate occasions, beginning some thirteen years ago – a long time, not incidentally, to be living illegally in this country. In those instances, the charges included a variety of drug and burglary offenses. Thus, by the time of his February 13, 2014, arrest, Mr. Rodriguez, in addition to his current charges, had already compiled a record worthy of deportation under ICE guidelines. Nonetheless, he was released, for whatever reason, despite being given an ICE detainer. The result was that just five months later, on July 29, 2014, Mr. Rodriguez was arrested yet again and this time his charges were two counts of sexual conduct with a minor, three counts of attempted sexual conduct with a minor, kidnapping, aggravated assault, sexual abuse, molestation of a child, and furnishing obscene material to a child. It is hard to think of more terrible crimes, crimes that in

this instance, assuming the charges are proved true, could not have been committed if the federal government had done what it should have done - deported Armando Rodriguez.

That case, together with all the statistics, demonstrate what I have said over and over: That when local law enforcement arrests illegal immigrants on criminal charges and turns them over to the federal government, the federal government, in the form of Homeland Security and ICE, either quietly releases them back onto our streets or deports them, the result being they quickly and with obvious ease make their way back to our community.

Both actions are unacceptable. The first, releasing those with immigration detainers from jail without consequences, free to commit new crimes, is an outrage against the people of Maricopa County. The second, allowing those deported to so readily return to this country, is an insult to all Americans.

I am once again requesting a meeting with you to discuss this intolerable situation. I am ready to work with ICE on this matter. As you know, I have ICE officers in my jails, and ICE agents are cross-certified by me to function as deputy sheriffs in order to enforce the laws of Maricopa County.

I am prepared to put the considerable resources of my organization to use in helping ICE identify, track and re-arrest those criminals released in our county. After serving as the regional director for the US Drug Enforcement Administration (DEA) in Mexico, Central and South America, as well as in Texas and Arizona, I understand very well both the difficulties in securing the border as well as dealing with the complex issue of illegal immigration, and am always ready to work to resolve these problems.

After ignoring the growing problem for so long, it is interesting to watch the Administration scramble to handle the thousands upon thousands of children crossing the border. As important as dealing with that issue is, it pales in comparison with the reality that the federal government, sworn to protect us, simply releases illegal immigrants charged with serious crimes to roam free on our streets.

It has been widely reported that President Obama intends to declare some form of summary amnesty for perhaps millions of illegal immigrants sometime after Labor Day. Can the federal government guarantee that many among that enormous number will not be criminals, charged and yet released by that government? Can the government guarantee that those given amnesty will not commit more crimes against American citizens?

All these questions demand answers, and the situation as it now stands cannot be allowed to continue. I am determined to see this through on behalf of the people of Maricopa County.

Sincerely,

Joseph M. Arpaio
Sheriff
